

INTIMACY IGNITED

2012 Journey of Faith
1-Day Marriage Conference

March 17, 2012 | 9:00am - 4:30pm

We were created for intimacy in marriage, yet often find it so elusive at both a soul and physical level. Remember that spark that existed when you were first married?

Come join us for a one-day Journey of Faith Marriage Conference where we will be re-igniting our marriages based on God's wisdom and design.

Paul and Virginia Friesen, co-founders of Home Improvement Ministries and leaders of a weekly bible study for the New England Patriots NFL team, will be leading the core sessions along with our gifted JOF worship and workshop leaders.

As a church body, we seek to be a leading light in the South Bay on building and restoring healthy marriages. Please spread the word to friends, family and associates, and use this day as an opportunity to strengthen not only your marriage but your network of support. Engaged couples are welcome to attend.

Names: _____

Email: _____

Phone: _____
