- Cardstock
- Crayons

Copy “Leaf” Activity Page on cardstock and cut out. Give each child a leaf and some crayons.

Say: “Look at all the leaves on the table! (Pause.) Use your crayons to color the leaves. Your leaves are so colorful! You made a lot of pretty, colorful leaves today. Where do you find leaves? (Pause.) That’s right! Leaves are on plants, trees, and flowers. Who makes all the plants, trees, and flowers? (Pause.) God does! Today in our story, we’ll hear about a special garden that God made filled with plants, trees, and flowers.”

Second Activity

In The Garden

- “In the garden” [Activity Page](#)
- Crayons

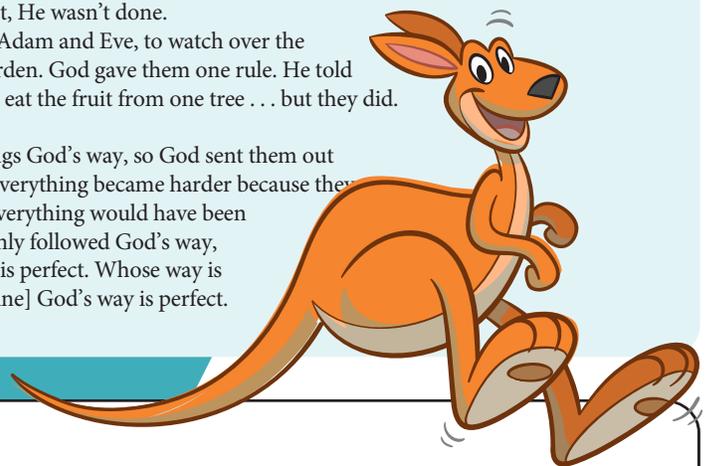

Copy “In the Garden” Activity Page. Give each child a coloring page and some crayons.

Say: “We heard a story today about a special garden—the first garden God ever made. There were plants, flowers, and trees. It was perfect. Let’s color our garden.

“What a pretty garden you’ve color” God filled the garden with plants, flowers, and trees. Some of them grew food that you could eat. There were so many animals. It was perfect! God made it all. But, He wasn’t done.

God made people, Adam and Eve, to watch over the animals and the garden. God gave them one rule. He told them to never, ever eat the fruit from one tree . . . but they did.

They didn’t do things God’s way, so God sent them out of the garden and everything became harder because they didn’t obey God. Everything would have been better if they had only followed God’s way, because God’s way is perfect. Whose way is perfect? [Bottom Line] God’s way is perfect.
